

## Summer Work for Rising French 3 Honors students

- Review and complete the French 1 activities in the linked packet.

Make sure to fully master this material, as we will not be reviewing these French 1 level grammar structures again next year. There will be a quiz on these grammar activities upon returning to school in the fall.

- Purchase and read the book Pauvre Anne by Blaine Ray.

As you read:

- Take notes in French in a dedicated notebook about the main events, personalities, and characters' feelings described in each chapter.
  - List at least 3 new vocabulary words you learned in each chapter.
- We will discuss Pauvre Anne and take a reading comprehension quiz upon returning to school in the fall.
